Bob Seger - Old Time Rock and Roll

Capo 2nd Fret

```
E
just take those old records off the shelf
                          A
ill sit and listen to them by myself
                 B
todays music aint got the same soul
                       E
i like that old time rock and roll

B                         E
dont try to take me to a disco
                         A
youll never even get me out on the floor
                        B
in ten minutes ill be leavin for the door
                       E
i like that old time rock and roll

B                        E
still like that old time rock and roll
                         A
that kind of music just soothes the soul
                       B
i reminise abuot the days of gold
                     E
with that old time rock and roll

B                            E
wont go to hear them play a tango
                              A
id rather hear some blues and funky old soul
                            B
theres only one sure way to get me to go
                         E
start playing old time rock and roll

B                        E
call me a relic call me what you will
                            A
say im old fashioned say im over the hill
                   B
todays music aint got the same soul
                       E
i like that old time rock and roll

B                        E
still like that old time rock and roll
                         A
that kind of music just soothes the soul
                       B
i reminise about the days of gold
                     E
with that old time rock and roll
